Work Experience

- Sep. 2014 - **Cambridge Design Partnership LLP**, Church Road, Toft, Cambridge, CB23 2RF
Present
Consultant Electronics Engineer.
A technology and product design consultancy. Working on many cross discipline projects but remaining focused on the application of electronics; typically in consumer products. Core skills applied include analogue circuit design, PCB design and digital hardware design with concurrent low level software development. Additional skills exercised range from basic mechanical engineering to high level software development.
- Jul. 2012 - **Cambridge Silicon Radio (CSR) PLC**, Churchill House, Cambridge Business Park, Cowley
Sep. 2013
Road, Cambridge, CB4 0WZ
Student Placement.
Working with the digital design team assisting with the development and verification of their Near Field Communications (NFC) technology. Side projects included verification of an LCD hardware driver and designing a serial to parallel converter for in-house test hardware. This was 20 weeks in total divided over two summers. I was awarded UKESF Scholar of the Year partly based upon my achievements at CSR.
- Jul. 2008 - **Sainsbury's plc**, Draymans Way, Alton GU34 1SS
Sep. 2010
Customer Service Assistant.
Assisting customers along with operating both traditional and self-serve checkouts.
